Order No: DIHENOIDA/AICTE/2025/SI310   Date:04/12/2025

Implementation of Skill India Mission

The Skill India Mission aims to equip students with industry-relevant skills alongside academic knowledge. DIHE integrates skill development into its curriculum by offering vocational training, workshops, and certificate programs aligned with national skill standards. The institute collaborates with industry partners and training organizations to provide practical exposure, internships, and job-oriented learning opportunities for students. Through initiatives like career counseling, skill labs, and skill enhancement courses. DIHE supports the mission's goal of improving employability, fostering entrepreneurship, and bridging the gap between formal education and the needs of the industry. By promoting both academic excellence and hands-on skill training, DIHE contributes to making students ready for emerging career paths under the Skill India framework.

Virtual Labs
An Initiative of the Ministry of Education
Under the National Mission on Education through ICT

Ref. No.: **VLABS/IITD/NCS/2883**

To,
The Principal,
Delhi Institute of Higher Education,
Gautam Buddha Nagar, Uttar Pradesh

Sub: Virtual Labs Nodal Center

With reference to your Expression of Interest (EOI) submitted on 04th June 2025 for Virtual Labs, it gives me immense pleasure to designate your Institute as a Nodal Center for Virtual Labs. As nominated by you, **Dr. Mini Verma** has been accepted to act as the Institute Nodal Coordinator (INC) from your Institute. This approval letter is valid up to 31st December, 2025. Subject to the following Terms and Conditions and any subsequent directives as issued by MoE from time to time:

1. Approved status of AICTE/STEB/UGC is mandatory for your Institute.
2. The Institute should have a valid AISHE and AICTE Code or UGC Approval Number.
3. The necessary infrastructure (space having personal computers with 1 Mbps broadband internet connectivity) is to be maintained at your own cost for Virtual Labs.
4. Students should not be charged any extra fee for providing a Virtual Labs facility for their usage.
5. Nodal centers will get operational and technical support.
6. Nodal centers should submit the Monthly Virtual Labs Usage Report.
7. Strict adherence to the standard lab procedures and cyber security laws must be followed.
8. Any violation of the above will automatically cancel your institute's Nodal Centre status without giving any notice.

Kindly acknowledge the receipt of this letter and the acceptance of the Terms & Conditions mentioned above. We thank you again for your interest in the Virtual Labs project and appreciate your endeavor in the service of the student community.
Wish you all the best!
Thank You.

Sincerely,

Prof. Suresh Bhalla
